_____ Check here if you are donating the items (this means you will not get a check for any items that are sold.) Donated items that are accepted for sale are tagged with a "100% Jackson" price tag. Naturally there is no fee to donate an item, however we reserve the right to not accept all items for sale. Unless noted otherwise, Jackson may dispose of unsold donated items.

- To receive reimbursement for items placed in the Ski Swap there is a fee of \$1 per item (you are purchasing the price tag) and a 15% commission on items sold (based on selling price.)
- Seller determines selling price. If you would like to authorize Jackson to lower the price, using our discretion, please indicate on the chart below.
