TIME: 6:30 AM

The grooming team was out last night setting tracks and laying down skate corduroy in multiple locations. Track depths, snow conditions and coverage vary greatly. The snow is loose and frozen granular. In places the ski patrol shoveled to give the groomers more material to work with, particularly on the Wave trails and on the Yodel. Yodel is still in tough condition -suitable only for experienced skiers with the strength and skill to stop and navigate as needed. Boggy & Quail are groomed with the larger of the small-machines - not a deep groom. 48 K groomed in total last night.
