TIME: 6:30 AM

38 K groomed last night; focused on the complete Prospect Farm network and a long route out the Hall Trail to Rocky Branch, including Maple Mountain. Not to get all Ides of March on you (and that's a couple of days away) but if you want to ski the long trails on the Ellis side of the network with fresh grooming - sooner rather than later. The snowmaking loop on Wentworth Fields, is in excellent condition. The surface varies as the day goes along but the depth that machine made snow allows is letting us provide well defined tracks and a great skate platform.
